PLAN - LEVEL 2

- ROOM COLOR KEY
- Private Offices
 - Lab Write Up
 - Workrooms
 - Restrooms, Lactation Room & Janitor Closet
 - Collaboration & Teaming Areas
 - Scholarly Activity
 - Meeting Rooms
 - Scientific Gallery
 - Support
 - Flex / Wet Labs
 - Lab Support
 - Core Labs

The floor plan illustrates a complex building layout with a central core and various functional zones. The color-coding helps distinguish between different types of spaces: blue for circulation and open work, orange for support and storage, yellow for distributed core, and purple for meeting and collaboration. The plan includes numerous rooms, corridors, and service areas, each labeled with specific identifiers and abbreviations. Key features include a large central staircase, multiple support rooms, storage zones, and several meeting rooms. The plan also shows a large central staircase and a large open work area. The plan is labeled with room numbers, names, and various abbreviations (e.g., RSV, PNT, CPT, SCN, EPX, ELEC, TEL, ELEV, STAIR, WORK ROOM, COLLABORATION, MEETING, OPEN WORK, FLEX LAB, WET LAB, STORAGE ZONE, EQUIPMENT). The plan is a detailed architectural drawing showing the layout of a building, likely a university or research facility. It includes various rooms, corridors, and service areas, all labeled with specific identifiers and abbreviations. The plan is color-coded to distinguish between different types of spaces: blue for circulation and open work, orange for support and storage, yellow for distributed core, and purple for meeting and collaboration.
